Film Director's Guild of Nepal (FDGN) is established in 2001 A.D. with a view of development and promotion of social, economic and cultural values through the medium of cinema. Its main objective is to develop the Nepali cinema as a medium of social transformation. The Guild is primarily concerned with the protection and preservation of the professional rights of Nepalese Film Directors. Respectively, the Guild works to uplift the capacity and develop the knowledge & skill of Nepali movie directors.

The Film Directors' Guild of Nepal extends its warmest congratulations to **Mr. Bikas Devkota** and the entire Third Eye team for organizing the First Nepali Film Festival to be held in London on 25 February 2023. The annual event has contributed to expanding the reach of the Nepali film industry across the globe among the Nepali diaspora. We wish you and your team all the best as you prepare for this event. I am sure that the festival will be a memorable one for all involved.
